Subject: Harrington Parish Neighbourhood Plan Submission - Legal Compliance Check

Dear Betty,

Many thanks for your formal submission of the Harrington Parish Neighbourhood Plan Proposal and supporting documents. This is a milestone stage in the preparation of a neighbourhood plan, and I don't underestimate the amount of time and energy that has gone into the Plan's readiness for this step.

Please find attached a legal compliance notification letter and the associated legal compliance checklist that will illustrate I have assessed the plan proposal against the legal requirements. I am pleased to say it has met all the requirements and we shall now progress to the publicising of the plan. As soon as our Consultation and Engagement Team are able to publicise the Plan proposal on the NNC Consultation Hub I will notify you of the six week period that the plan will be available for representations to be made. Once these dates are confirmed I will also update our website to reflect that both a submission has been made, which has met the legal requirements as well as the details on the Regulation 16 consultation.

May I advise that you update your website accordingly, when necessary. As always please feel free to use any or all of the text I have prepared for our website or update as you prefer.

Once again, this is a wonderful achievement, and I am pleased for all those involved.

Kind regards.

Andrew
